Manage Notifications

Manage Contacts

Use this page to manage your contacts. Once you have contacts setup, you may use those contacts to sign up for notifications about your billing account.

+ Add E-Mail Contact **+ Add Phone Contact**

Add the contacts for methods you would like to receive notifications on.
You can have multiple contacts set up in the system

Verified Contacts

These are the contacts we have on file that you have created or verified and will be used for notifications that are configured on the Manage Notifications page.

Method	Contact	Status	Available Actions		
💬		Text Enrolled	Activate	Edit	Delete

Manage Contacts

Manage Notifications

Select Manage Notifications and then select the dropdown for Support.
Next to Telecom Planned Outage, select the contact for each to receive notifications of planned outages/maintenances.

Manage Notifications

Use this page to sign up for notifications about activity on your billing account.

Advanced Mode

Use these settings for fine level control of the notifications you receive about your billings. Expand the notification heading to see all available notifications for that type.
