Beehive Broadband Terms and Conditions

The following terms and conditions shall apply to the Customer, who subscribes to or uses any Beehive Broadband service:

This Agreement is part of and shall be incorporated into the Acceptable Use Policy. In utilizing any Beehive Broadband service, the Customer agrees to adhere to the terms and conditions of the Acceptable Use Policy and this Agreement. Beehive Broadband reserves the right to update this Agreement as necessary. In the event of an inconsistency or conflict between the Acceptable Use Policy and this Agreement, the provisions of this Agreement shall govern.

Governing Law and Venue: The laws of the State of Utah shall govern the terms of this Agreement. The parties hereto stipulate and agree that the exclusive venue for the resolution of all disputes concerning this Agreement shall be Tooele County, Utah.

Entire Agreement: This Agreement constitutes the entire Agreement between the parties, and no other representations or statement will be binding upon the parties. If any part of the Agreement is held to be invalid or unenforceable for any reason, the remaining terms and conditions of this Agreement shall remain in full force and effect.

Payment Policies and Terms: Billing is completed at the beginning of each month; full payment is due upon receipt. A 7% (min.\$5.00) late fee will be assessed on any balance remaining unpaid after 30 days. Accounts with an unpaid balance after thirty (30) days will be deemed delinquent. Delinquent accounts are subject to interruption and suspension of service. Once an account has been suspended for nonpayment, it shall remain suspended until the account is paid in full. Accounts suspended for nonpayment are subject to a \$50.00 reconnection fee upon reactivation of service. In the event a balance is not paid as agreed, the Subscriber may be sent to a collection agency and agrees to pay collection fees equal to 40% of the unpaid balance and any court costs and attorney fees. A thirty-dollar (\$30.00) fee will be added to an account balance in the event a payment is returned unpaid. If more than one payment is returned unpaid, we will only accept cash or certified funds as a method of payment.

Due to privacy laws, we will only provide account information to the registered account holder and authorized users.

Equipment and Scope of Work: All equipment, modems, routers, set-top boxes, ONT's and standard mounting equipment will always remain the property of Beehive Broadband. Subscriber may not sell, transfer, lease, encumber or assign all or part of the equipment to any third party. If using any Beehive Broadband equipment, the Customer will be required to pay a \$100 deposit OR provide the account owners social security number and birth date. If service is cancelled, the Customer must return the equipment to BEEHIVE within seven (7) business days to avoid additional charges. Subscriber shall pay for the full retail cost of, or the repair or replacement of any lost, stolen, unreturned, damaged, sold, transferred, leased, encumbered, or assigned equipment or part

thereof, together with any costs incurred by Beehive Broadband in obtaining or attempting to obtain possession of any such equipment. On expiration or termination of this Agreement, Subscriber authorizes Beehive Broadband to retrieve from Subscriber's premises any equipment that is owned by Beehive Broadband. If the Customer does not want to lease a router from Beehive Broadband, then the Customer is responsible for providing their own router to broadcast the signal throughout the home. Beehive recommends Wi-Fi 6 (802.11ax) routers with 100M or Gig Network ports.

Due to the nature of the work for the Fiber-to-the-Home project, we require all underground lines to be marked before the start of any digging on-premises, either by company or resident, whichever is applicable to the situation. To have this done, please call Blue Stakes. Beehive Broadband is not responsible for unmarked sprinkler lines or damages to those lines.

Additional Fees: In the event that special construction or additional equipment including but not limited to: longer cable, additional grounding, mast hardware, or specialized antenna is required, an additional fee will be required for said equipment and any additional labor not included in the standard install. Additional labor is billed at \$60.00/hr. Please note we will not perform foundation entrance due to the liability risk. If foundation entrance is required, the Customer must complete the necessary foundation drilling prior to the date of scheduled install, or, at the request of the Customer, we will complete the foundation entrance with the completion of a Release of Liability waiver. An additional \$100.00 fee will be assessed to the account for this work.

Standard Maintenance: Any trouble beyond our network or equipment is the full responsibility of the Subscriber and their subsequent Network Administrator or vendor. Standard maintenance is limited solely to Beehive Broadband's network and backbone connectivity.

If your connection ceases to function properly, but Beehive Broadband's network is still functioning properly, a technician will be sent to troubleshoot during normal business hours (9am. - 4:30 pm., Monday - Friday.) Not Covered by Standard Maintenance: Maintenance, repair or replacement of parts damaged or lost through catastrophe, accident, lightning, neglect, misuse, transportation, theft, fault or negligence of Subscriber, or causes external to the system, such as but not limited to: failure of, or faulty electrical power, operator error, or malfunction of Subscriber's computer and/or peripheral equipment not installed by Beehive Broadband, or from any cause related to or other than the intended and ordinary use.
